To

The Principal

Diploma in Pharmacy Colleges in Maharashtra

Sub :- Regarding implementation date of practical training for D.Pharm. Students from centres approved by Pharmacy Council of India, New Delhi through Maharashtra State Pharmacy Council under Pharmacy Practice Regulations,2015.

Sir/Madam,

As you may be aware that under Pharmacy Practice Regulations,2015, the students passing Diploma in Pharmacy need to complete their practical training from practical training centres approved by Pharmacy Council of India. But in order to avoid difficulties and hardships that students may face if such provision is implemented immediately, Maharashtra State Pharmacy Council had resolved to implement the said provision from next academic year, tentatively from April,2019.

Adequate number of training centres can be assured throughout Maharashtra, also for ease of students all Government Dispensaries and Government semi government Municipal Hospitals and dispensaries including Primary Health Centres, Rural Hospitals and Civil hospitals across Maharashtra are deemed to be approved training centres for imparting practical training centres as decided by this Council. Council has already started receiving application for practical training centres from various pharmacies, hospital pharmacies etc. which is being subsequently sent to Pharmacy Council of India for approval. But till next year, kindly advise the pharmacies and hospitals in your vicinity to apply to Maharashtra State Pharmacy Council for approval of training centre.

A copy of application for approval of training centre is available on website of Maharashtra State Pharmacy Council - www.mspcindia.org.

Thanking you,

Yours faithfully,

(SAILI SWAPNIL MASAL)

Registrar

Maharashtra State Pharmacy Council
